INSPIRATIONAL
SCHOOL TRIPS AROUND

CENTRAL & SOUTH AMERICA

WHO WE ARE

Kagumu Adventures is an educational travel company delivering one-of-a-kind, immersive, and sustainability-driven school trips in Central and South America.

On our tours, your students experience the mega diversity and cultural intrigue of Latin America. They learn ancient traditions, gain invaluable new perspectives, and discover ways of living that will shape their own futures.

We tailor itineraries to your curriculum and use our expertise in the 17 Sustainable Development Goals (SDGs) to help your students understand pressing global issues and inspire them to positively change the world around them.

HUMANITIES

Destinations: Colombia, Peru, Mexico

Discover pre-Hispanic archeological sites in LATAM, take part sacred rituals with our partner native communities and enjoy memorable cultural workshops led by prominent anthropologists, archeologists, and indigenous leaders.

HEALTH & SOCIAL CARE

Destinations: Colombia, Ecuador, Peru

Enjoy tailored visits to local organisations, public health offices and more so your students can learn about the core topics on your curriculum. Each destination will demonstrate the varying approaches to healthcare in different Latin American countries and cities.

SPANISH & SUSTAINABILITY

Destinations: All countries

Truly immerse your students into a new culture, propelling their Spanish language skills to a new level. They'll meaningfully engage with locals and develop a greater understanding of pressing global issues through inspirational hands-on activities.

SUSTAINABLE DEVELOPMENT

Destinations: Colombia, Peru, Ecuador

Students gain a greater understanding of global issues through the UN Sustainable Development Goals. We visit pioneering, impactful and innovative grassroots projects and give students the tools to be able to start their own SDG-aligned project in their own country.

GEOGRAPHY

Destinations: Colombia, Peru, Ecuador

Travel through the South American Andes, discovering an abundance of unique ecosystems. Students explore a range of award-winning conservation projects, learning how their preservation can lessen the impacts of climate change.

SERVICE & SUSTAINABILITY

Destinations: Colombia, Peru, Ecuador

Students travel to do good by joining one of our specially-designed local service projects. Every student will roll up their sleeves and work with an inspirational social or environmental organization that is delivering genuine impact in the community.

WHAT OUR PARTICIPANTS SAY

"NO WORDS TO DESCRIBE IT"

"There are no words to describe Colombia. People here are playful, they hug all the time and have a lot of love to give. The experiences we lived is an important development for our personal selves."

Brisa Yoana Alzaga, 15, Participant, Colegio Williams.

"EXECUTED TO PERFECTION"

"Sustainable themes are woven into every activity that was planned out and executed to perfection."

Brisa Yoana Alzaga, 15, Participant, Colegio Williams.

"100% AT EASE"

"The safety factor and the well-designed program made us feel 100% at ease. The kids were having the time of their lives. We both truly loved this trip, growing professionally along with the students."

Meredith Brady, Spanish teacher, United States, Pacific Ridge.
